Cape Grace Wines - One of the great little wineries.

The Cape Grace vineyard was planted in 1996 by Robert and Karen Karri-Davies whose family have been part of the south west since 1875. Robert is a great grandson of timber baron M.C. Davies who built the Cape Leeuwin Lighthouse and was a founder of Margaret River.

Cape Grace Wines is located on the headwaters of the Wilyabrup Valley in a natural bush setting. The single vineyard wines have earned an impressive array of medals, reviews and followers.

Traditional wine making is used, with the reds hand plunged and basket pressed. The vineyard is managed under organic principals and the limited release wines include the Cape Grace flagship Cabernet Sauvignon, a Cabernet Franc, an elegant Shiraz, a luscious Cabernet Shiraz, a complex wood aged Chardonnay, a dry Chenin Blanc and a delicious Cane Cut Chenin Blanc dessert wine.

Woodlands' premier wine – the Cabernet Sauvignon, has been produced since 1977 and continues to garner trophies, awards, and critical acclaim, including being rated 'Outstanding' in the Langton's Classification of Australian Wine.
