

WITCH

WITCH MAKEUP APPLICATION

Optional Items:

- Rubber Nose & Chin
- Wig
- Powder Brush
- Makeup Remover Cream
- Stipple Sponge
- Powder Puff

- Apply a thin coat of Spirit Gum on nose and chin area where Modeling Putty/Wax will be applied. When nearly dry, sculpt desired nose and/or chin shapes with Modeling Putty/Wax (Figure 1).
HINT: Rough sculpt shapes and blend edges into skin. Lubricate fingers with Makeup Remover Cream to smooth shapes. Texture surface with a Stipple Sponge.
- Cover entire face and sculpted shapes with No. 24 Makeup Base and powder with Colorset Powder (Figure 2).
- Shade all areas that you choose to "hollow out". We shaded aging areas with Green Makeup and then sharpened the "hard" unblended edge of shadows with Monster Grey Makeup (Figure 3).
- Shape eyebrows with thin strokes of Black Pencil Liner (Figure 4).
- Style hair or wig appropriately.
